LEADERSHIP & PROJECT EXPERIENCE

Founder & President, Elevate Foundation — Youth Non-Profit Organization (2024 – Present)

Project 1: Teen Vaping Awareness & Health Advocacy Initiative

- Founded a youth-led initiative focused on raising awareness about teen vaping and its short- and long-term health impacts.
- Designed and conducted surveys among local high school students to assess vaping trends and influencing factors.
- Collaborated with university professors and researchers specializing in substance abuse to analyze collected data.
- Compared local findings with national vaping statistics to identify risk patterns and gaps in awareness.
- Organized school and community presentations promoting healthy choices and prevention strategies for teens.
- Connected with **Governor Laura Kelly** regarding potential funding support and was guided to the **Kansas Board of Regents** as the most appropriate and well-equipped agency to address the project's public health and education-focused objectives.

Project 2: Sports Access & Equity Initiative (Partnership with GFFT)

- Launched a community-driven initiative in partnership with **GFFT** to support underprivileged children through access to sports.
- Coordinated with local tennis centers to place donation boxes for collecting new and gently used tennis equipment.
- Led donation drives and fundraising efforts to distribute tennis gear to underserved youth through GFFT.
- Built partnerships with coaches, facility managers, and community leaders to expand outreach and sustain impact.

Member, Wichita Mayor's Youth Council (2025 – Present)

- Serving as a student representative for Wichita city youth, collaborating with peers and city leaders on community-focused initiatives.
- Worked on initiatives to promote and support **local small businesses** across the Wichita region, including creating and sharing **community awareness videos** for businesses such as **Moxi Junction**.

- Contributed to sustainability-focused projects aimed at **reducing pollution** and encouraging responsible environmental practices.
- Participated in initiatives addressing **food and clothing waste reduction**, promoting reuse, donation, and sustainable consumption within the community.
- Engaged in bi-weekly discussions on civic engagement, equity, and long-term city development programs.

Leader, DECA Team — Wichita Collegiate School (2024 – Present)

- Led team training in coordination with school advisors for state-level competitions in entrepreneurship and marketing.
- Organized practice sessions and mentored new members in business case analysis and presentation skills.

Member, HOSA – Future Health Professionals (2024 – Present)

- Actively involved in health science initiatives and leadership activities focused on youth wellness and public health awareness.
- Designed and developed **promotional flyers for new members**, providing clear information on learning opportunities, events, and schedules.
- Coordinated with peers to support chapter initiatives, event planning, and member engagement efforts.

Volunteer, Veterans Affairs (VA) (2024 – Present | 100+ Hours)

- Supported veterans through community events, outreach programs, and facility assistance.
- Recognized for dedication to service and long-term community involvement.

Member, Building Blocks Foundation — India (2023 – Present)

- Provide weekly tutoring classes in **Math and English**, guiding students with academic support wherever needed.
- Contribute funding for school supplies by utilizing skills such as **stringing tennis racquets** and conducting **tennis coaching sessions** for kids.
- Collaborate with top companies and professionals to seek support for **mentorship, workshops, and career guidance sessions** for students.
- Support fundraising and educational initiatives to expand access to learning resources.

ATHLETICS

Varsity Tennis Team, Wichita Collegiate School (2024 – Present) • Member of the State Championship-winning team.

- Achieved **3rd Place – State Doubles**.
- Competing in USTA tournaments since age 4, demonstrating discipline, leadership, and teamwork.

Leadership in Athletics

- Member, **USTA Missouri Valley 2026 Junior Leadership Committee**
-
